

## **Day Three**

### Others in the Furnace

Yesterday, we read about how God set Shadrach, Meshach and Abednego free in the furnace. Completely released from their constricting bondage, they walked free, though still in the fire. Join me now as we look at others who God set free through the furnaces of their lives. One person that comes immediately to mind is Naomi.

Read Ruth 1:1-13.

What do you learn about Naomi in these verses?

Would you say Naomi is experiencing a furnace?

If so, describe it in the space below.

Read Ruth 1:20-21.

What does Naomi tell her community to call her in verse 20?

Why?
